

# Share Your Experience with Fibrous Dysplasia/McCune-Albright Syndrome

If you are living with or caring for someone with **Fibrous Dysplasia/McCune-Albright Syndrome (FD/MAS)**, we invite you to participate in an upcoming virtual advisory board meeting, hosted by Ultragenyx Pharmaceutical. During this meeting, Ultragenyx would like to learn more about the particular challenges faced by and needs of individuals living with FD/MAS, such as progression of symptoms or accessing care.
